SAILING

The sailing has been designed to accommodate non-racers as well as spinnaker and cruising racers.

NON-RACERS

You may follow the racing fleets & enjoy sailing on Narragansett Bay by choosing your own course from day to day.

SPINNAKER RACERS

Courses will be set using government marks, there are no sail limitations.

CRUISING RACERS

Courses will be set using government marks. Sail limitations are single-headsail, a single cruising "chute" is optional.

RATINGS

The registration form asked each owner if they have a PHRF rating and/or IRC rating. We do not want to force an owner to obtain an IRC rating. You can apply to NB PHRF for a rating via their website or a rating from a sister ship obtained from a local database will be used. Our intention is to be inclusive and accommodating. We will know more as the registrations come in.
